

Many, Lord my God, are the wonders you have done, the things you planned for us. None can compare with you; were I to speak and tell of your deeds, they would be too many to declare. – Psalms 40:5

It's About More Than a Building

"Readily jumping at any opportunity God puts before us to help meet a need" is a small part of the Willow Tree Vision. Amidst our new building renovations, our Family Services staff are continuing to carry out the Willow Tree's primary mission and have been able to serve twelve families in our community so far this year. This is in addition to the many individuals and families who have been blessed in various ways by our Resale Shop. We are reminded that this is why the new building renovations are important – so that we can be the hands and feet of Christ in our community and continue to reach even more!

We've made some progress, but we still need you!

Praise be to God! Thank you to all of those who have joined us in our mission over this past month. We are so grateful for those who are participating in the ongoing flooring project fundraiser, and the volunteers who built a wall in our easternmost section. We've certainly made some forward progress preparing our new space, but we certainly aren't finished!

We continue to not only welcome, but absolutely need our community's support to prepare the new building at 100 E. Washington Street for the Willow Tree Resale Shop. Our hope is to be completely moved in to the new space within the next 12-18 months! We are still on track to open up the east section this spring, but there is much work to do for the building itself.

How Can I Help?

We have generated a long list of various ways that you can help including ways to volunteer your time and talents, donating specific goods that are needed, or donating financial resources towards specific projects/expenses. Details for each of these can be found on the [How Can I Help?](#) menu found on our website and on the links below:

[Time and Talents Needed](#)

[Goods Needed](#)

[Financial Resources](#)

We have been updating the website to show what the needs are and which needs have been met. This will help us to remember how blessed we are in this community and keep you informed of our progress. If something on this list speaks to you, we would love for you to partner with us to keep pushing forward. Also, if you know of someone who would be interested or has a heart for projects and volunteering, please pass this on and encourage them to participate! Sometimes we just need to be reminded of the gifts God has blessed us with in order to help out.

God bless you!!

Jill Maxey, Executive Director, Willow Tree Missions
